## GIVE YOUR TOOLS A PLACE TO GO HOME TO.

Ernst Gripper Tool Organizers were invented to help you organize your tools, and also securely transport tools to the job site.

This superior design provides the ultimate in tool box storage, accommodating a wide variety

of tools and allowing for immediate recognition of a missing tool.

A complete line of socket organizer accessories is also available, adding functionality and increased tool storage.

## ADD FUNCTIONALITY WITH ERNST SOCKET ACCESSORIES

Ernst Socket Organizer Accessories are another great way to maximize socket storage. Our unique patented Socket Clips snap on, are incrementally adjustable, and come with 96 I.D. stickers. Organizer Mounts provide maximum socket stor-

age for the toolbox or wall mounting, and have a unique locking mechanism for secure socket storage. Side and Face Mount Ratchet and Extension Holders securely hold a wide range of ratchets and extensions for in the toolbox or on the go.
